“ ”  
My dear Captain:

The attached photograph of the President of the United States commending and decorating you for your outstanding service to the Nation is much appreciated by the undersigned. Your friends throughout Georgia, I am sure, join me in the same thought.

As the years pass on I think frequently over my friendship with you and your boys.

A recognition well merited!

Sincerely yours,

  
Erle Cocke

Captain W.E. Whitehead  
Carlton, Georgia
